Minimum Permit Fee	45.00
Extra Inspection Fee, First Follow-up	45.00

More than 3 Insp.on Crawl Space House 45.00 ea. Inspection More Than 4 Insp. on Slab House 45.00 ea. Inspection

Permits for low voltage wiring are in accordance with the requirements of the \underline{NEC} and include:

Telephone Data Computer Fiber Optics Fire Alarm

The growing concern over low-voltage wiring installations stem from the improper support of low voltage wiring in fire and non-fire rated ceilings and ceiling assemblies. In the Remarks section of the permit, please, note what type of low-voltage wiring installation is being installed.
